

Archers Council

Supporting Founders Classical Academy

Funds for Founders

Archers Council (AC) will kick-off the annual F4F campaign Friday Oct. 18 to raise \$125,000 for our school! To provide stability over the years, our policy guides how we invest donations:

Faculty & Staff

First, we donate a \$600 gift to each of the 70 teachers and staff before Christmas break, for a total disbursement of \$42,000.

Archers Council

Second, we disburse \$58,000 to AC Committees, whose priorities are described at right.

COR Fund

Third, additional donations are invested in the Capital & Opportunities Reserve (COR) Fund to support large projects like campus beautification, professional development, and instructional supplements.

Archers Council

2024-25 Priorities

For funds raised from \$42k-\$100k, we're raising money for the AC committees to offer:

Archers Support Committee: monthly teacher appreciation events, Grandparents' Breakfast, grammar school library shelves, upper school teacher lounge furniture, playground beautification, and faculty professional development.

Archers Athletic Booster Club: uniforms, athletic photographer, basketball hoops, need-based scholarships for athletic fees, milestone & state championship banners, Hudl camera & fan engagement website with on-demand streaming and replays, gym and other facility aesthetics, and award banquets.

Fine Arts Booster Club: events such as Valentine's Dance, Christmas art show, and Orchestra banquet; Fine Arts Showcases; field trips; equipment for orchestra, theater, and art; and storage for supplies.

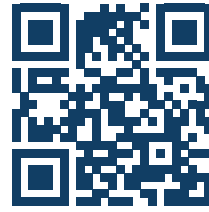

Senior Events Committee: The senior class gift. With generous support from the Helal family, the most recent senior class gift was an amphitheater in Sherwood Forest.

Founders needs you!

We receive \$3,000 less per student or \$2.2 million less for our school than Leander ISD. We can't close this gap, but we are making targeted investments to achieve Founders's mission.

Online

Scan the QR code or go to foundersleander.com and tap "Donate" at the top of the page to make a one-time or recurring donation.

How to Give

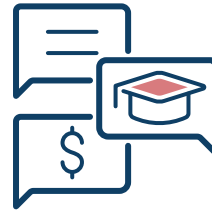

The F4F Campaign starts Friday Oct. 18th and ends Friday Nov. 1st. We recommend a donation of \$400 per student. Some families will give much more while others will dig deep and give what they can. We are grateful for any donation.

All donations stay at Founders Leander to support our school's mission of offering a classical education in the liberal arts and sciences with instruction in good character and civic virtue.

By Check

Make checks payable to "Archers Council" and deliver to the staff at the upper school front desk.

Employer Match

Ask your employer if they will match your donation. This can double your impact!

We're Aiming High - Let's Celebrate Along the Way

To celebrate the progress we make on our way to the \$125,000 goal, two generous families and the Archers Support Committee will sponsor the following.

Capitol Dome Tour

For every \$10k raised up to \$100k, one teacher or staff member will receive a spot on a private tour of the Texas Capitol dome.

Travel Stipend

For every \$10k raised up to \$100k, one teacher will receive a \$500 travel stipend to Hillsdale's K-12 Educators Conference.

Guest Speaker

At \$110k, we'll sponsor travel for a guest speaker to visit Founders and offer a presentation to faculty, staff, and families.

For the tours and stipends, we'll select recipients by starting with the 2023-24 teachers of the year, after whom we'll draw individuals at random.

Ice Cream For the Victors

The two grammar school classes & one upper school House with highest donor participation will receive an ice cream party!

Thank you Minuteman Press!
